FRONT END WEB DEVELOPER

I'm a passionate self taught front-end web developer with 3+ years of experience using JavaScript, HTML5, CSS3, and Tailwind to build all aspects of the user experience and user interface. On top of that, my development skills allowed me to build sites using Svelte, React, and SvelteKit. I've gained experience and used other platforms including Docker, TablePlus, Supabase, and Github/lab.
